

CURRICULUM VITAE

Name:	Ronny Iversen
Born:	07.11.1974
Nationality:	Norwegian
Address:	Langsetvågen 14 Postbox 84 6670 Øydegard Norway
Higher Education:	Master Mariner Class 1 / Skipsførerutdanning
Languages:	Norwegian/English
Some present positions:	Master Mariner (Captain) /Offshore Manager (OM/OCM)/Marine Consultant/Marine Specialist/Client Representative (Company)/ Tow Master/Mooring Master/Marine Supervisor
CV updated	29. May 2025

SUMMARY OF PROFESSIONAL EXPERIENCE

I have been in the offshore industry since 1997, mainly on anchor handler vessels, and have gone the grades from 2nd Mate advancing to Master Mariner in 2000.

I have been a part of a variety of assignments with the vessels I have been serving on, and carry international experience from i.e., Brazil, Nigeria, USA and Mediterranean amongst others.

Also experienced in deep water and ULTRA deep water Anchor handling 1000m+ and 2000m+

Started at Semar June 2007 and has since then been part of a variety of assignments and projects from Rigmove SOW`s, Offshore Manager, Client representative (Fiscal), Shift Supervisor, Tow master, Company Offshore Representative, Warranty Surveyor on rigmoves and subsea projects amongst some.

Projects to mention a few, Sevan FPSOS Hummingbird and Voyageur mooring installation and hook-up, Njord/Norne mooring line change out, Goliat mooring installation, Knarr FPSO Mooring Installation, Aasta Hansteen mooring line hook-up, Rigmoves, Inspections, APL Reliance project off India, Statoil's Sheringham Shoal windfarm installation, Summits LNG Terminal offshore Bangladesh including stern mooring lines hook-up, Njord future project through Global Maritime, Decommissioning of FPSO`s, BP/Subsea7 Mad Dog2 FPU installation, Murphy Kings Quay FPU installation, Equinors Hywind Tampen offshore windfarm, Baleine1 development for Firenze FPSO, FPSO Atlanta installation, Mero3 installation, Buzios 7 installation and many more.

Founded Iversen Marine AS in March 2018.

DETAILED PROFESSIONAL EXPERIENCE

Period	Employer	Position
March 2018 – to present	Iversen Marine AS. Self Employed – Freelance contractor – Marine Operations. Planning, procedures and execution of projects. Various positions held on projects. To mention some, Offshore Client representative, Offshore Manager, Shift Supervisor, Towmaster, Marine Supervisor, Marine operation specialist	CEO/ Master Mariner / Marine operation Specialist
June 2007 – March 2018	Semar AS (Engaged as a Master Mariner and Marine Consultant. Responsible for planning and execution of various projects as pr detailed CV. Also, various positions held. To mention a few: Marine Specialist, Marine co-ordinator, Mooring Master, Tow master, Offshore Manager, Installation Lead, Offshore Construction Manager, Client / Company representative, Shift Supervisor amongst some.)	Master Mariner/ Marine Consultant
jul 2006 - mai 2007	AHTS Bourbon Orca-Bourbon Offshore Norway	Master Mariner
